Bristol Team Sweeps the Board at BCO Awards

Tuffin Ferraby Taylor was part of the winning teams at this year's BCO (South West) Awards with not one but two projects coming home in first place ahead of an impressive list of contenders.

The winner of the 'best commercial workplace' was 500 Brook Drive, Green Park. The BREEAM Excellent and EPC 'B' rated building was let before completion and was awarded for its impressive design and having 'all the makings of a vibrant corporate workplace'. TFT worked, together with PRUPIM, as Employer's Agent on the development.

The winner of the 'best corporate work place' was The Hub, Aztec 500, Aztec West, Bristol. TFT acted as Project Manager / Employer's Agent on this scheme commissioned specifically for design and engineering consultancy Atkins. The £22 million project had a two year completion target and was required to meet the highest possible sustainable standards, as set out by BREEAM and the BCO.

"It was a brilliant result for us" said Alistair Lloyd Alison, Associate at the TFT Bristol office and member of the project management team for 500 Brook Drive. "Both 500 Brook Drive and The Hub are projects we are extremely proud of. They are key developments in the South West Region which thanks to the extremely high standards met by all those involved, are a credit to our region"

Both projects will go ahead to represent the South West in the national finals due to be held in October 2010.
